

## **Position: Graphics Installation Laborer**

Responsible for graphics projects through print, lamination, finishing and installation.

## **Key Responsibilities:**

- Partner with our current team of Print Production Specialists in setting our production plan by aligning with the needs and priorities of the Graphics Traffic Manager.
- Be consistently aware of project timelines and status. It will be critical for you to proactively communicate with appropriate team members regarding project progression.
- Gain and maintain a full understanding of every project by reviewing specifications at kickoff and maintaining a clear, focused project card from the receipt of a sales order to the final shipment of product.
- Monitor projects closely through each stage of production and evaluate against our high-quality standards meticulous attention to detail is critical.
- Adhere to safety policies and procedures while maintaining a neat and well-organized work site, whether on location or in the facility.

## **Preferred Qualifications:**

High School GED/Diploma

## Skills, Knowledge, and Attitude for the Job:

- Willingness to assume responsibility and act independently with a 'See it, Own it, Solve it' approach to problem solving and project ownership.
- Positive, determined attitude, driven by the spirit of teamwork.
- Passion and drive to learn new technologies, processes and equipment.
- Ability to lift a minimum of 75 pounds.
- Ability to climb ladders and heights for installation purposes, including but not limited to stretching, bending, and climbing in outdoor and indoor environments.
- Strong working knowledge of the digital printing industry, with experience related to the operation of wide format digital printers, plotters, digital cutters and laminators. Experience with Roland printers is a bonus! Hands on experience with vehicle wrap application, point-of-purchase display or sign installation are all huge bonuses!
- Level of comfort with computers and a working knowledge of Microsoft Office applications (Word and Excel).
- Excellent written and verbal communication skills.
