Installation of “The MIND” Merchant Kit

Important Note: Please read all instructions thoroughly before continuing with installation of kit. If you are having problems installing the kit, please call 1-800-321-2311 X226

Tools Required
Phillips Screwdriver or Cordless Screwdriver
Pliers
Adjustable/Crescent Wrench
11/32" Nut Drive
Masking Tape
Scissors
Flashlight

WARNING: Prior to installation, turn the power off to the vending machine and unplug it from its power source

- 1) Detach Coin-Mec cable from MDB cable.
- 2) Remove existing plate from machine to make room for touch screen
- 3) Position LCD screen as shown in Figure 1.

PLEASE NOTE: Position LCD screen such that it fits flush with the edge of the machine to ensure the screen is facing the correct direction.

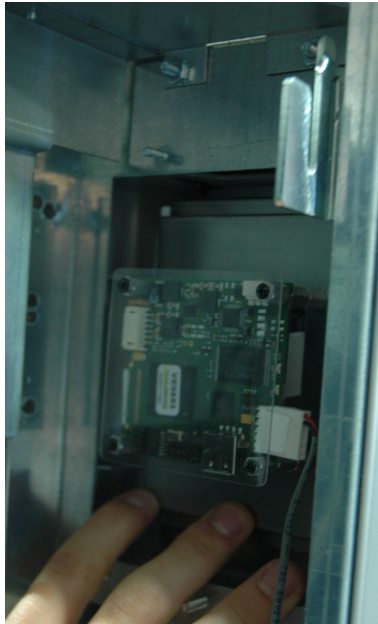

Figure 1.

- 4) Position mounting plate behind the display board as shown in Figure 2.

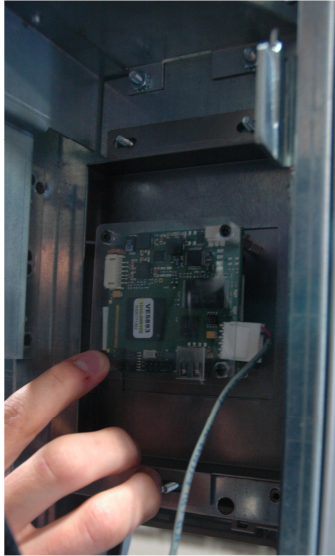

Figure 2.

- 5) Screw on nuts from original bracket, as shown in Figure 3.

Figure 3.

6) Attach power cable and Coin-Mec to Y-harness, as shown in Figure 4.
