EASY

Simple
and enjoyable
for all tastes.

Some people want an espresso, others prefer a café latte, and then there are those who like to indulge in a creamy hot chocolate... How can you satisfy all these requirements with just one compact solution? That's easy, you need EASY! EASY by name, easy by nature. Six drink options offering a wide range of choice: espresso, long coffee, café latte, cappuccino, caffè mocha and chocolate. This wide selection of drinks is achieved by combining EP type capsule technology and 2 instant canisters for milk and chocolate. So many choices, so many opportunities to satisfy your customers. EASY, not easy to do without.
