THE **MIND**™

THE **MIND**™

Product information at your fingertips

EASY TO INSTALL

Can be installed on most OEM machines and on the REVISION™ or CURVE™ doors. 5.7" screen is shipped as a stand alone unit that can be mounted almost anywhere.

5g	160	30g
SAT FAT	CALORIES	SUGAR
25% DV	15% DV	15% DV

NATIONAL STANDARDS

The 2010 Affordable Care Act requires calorie counts to be displayed

COMBINE WITH FREE SOFTWARE

Pick and choose which items are in the MIND with the included Display Builder software. Customize interfaces with any product's image and information for a unique user experience. Product information can be programmed for a specific machine or to accommodate a bank of machines.

STRAIGHTFORWARD TO USE

Pictures and user-friendly buttons quickly guide customers to product information. Features are intuative for customers.

↻ SIMPLE TO UPDATE

Add products in Display Builder and load information effortlessly to the MIND with a flash drive.

COMPLETE SOLUTION

Deliver comprehensive product information before a customer purchases an item. Display screens can include nutritional and ingredient information, helpful details, pictures and information on snack or non-food products.

GENERATE REVENUE

Capable of displaying third party ads when the MIND is inactive to earn extra advertising income.

UPDATED DATABASE

The MIND's software is linked to our product database which contains over 12,000 products. Through partnerships with product manufacturers, information is constantly being updated and increased.
